## One-Time Purchase Form

### 2008 – 2009

Tired of writing multiple checks throughout the year? Tired of not having enough cash for the item at hand? Lincoln PTA is offering a single check or credit card payment to purchase all of your necessities at one time. This option is purely for your convenience and does not negate separate, future purchases. Here is how it works: Fill out this One-Time Purchase Form, write one check or credit card payment for all your children, then bring this form to Kindergarten Picnic, Pizza Post or Back to School Night! It's that easy!
